To

The Deputy Secretary to the

- I have the honour to state that an estimate for Rs 900/- was prepared and submitted towards the repairs to the car at Ramanathapura Since the villagers promised to pay a contribution of Rs 98-3-10, it was recommended in this office

Docket

Docket no:-213 dated 14th September 1899 that the bill be passed for Rupees 800/- The amount was accordingly passed in Govt. Proceedings no 345-6 dated 25th/26th Sept-tember 1899 and the same adjusted in the accounts.- Now the villager pleads their inability to pay any contribution and the amildar reports that nothing can be recovered from them. It is a long time since the work was completed and the contractor has been pressing for the balance due to him, viz. Rupees 100/-

In these circumstances, I beg to recommend that the amount be kindly passed.

2- There is at the credit of the Temple a Sum of Rupees 1159-1-4 out of which Rupees 800/- has already been assigned as pre-

Government

Government Proceedings quoted above, thus leaving a balance of Rupee - 359-1-4, out of which the present Sum Rupees 100/- has to be met.

3 — Vernacular Papers ending with Sr Kalgud Amildar's report no: 68 dated the 30th January 1904 are herewith submitted.

Correspondence ending in part letter No 382 dated 11th Feby 1904 from the Deputy Collr, Hassan District, requesting sanction to the issue of Rs 100/- being the balance due to the Contractor on account of the Construction of a car for the Bagur temple. reporting on the inability of the devotees to pay the promised contribution :-

Order thereon: No

From the correspondence read above it is observed that on the recommendation of the then Deputy Commissioner the Competitive bill for Rs 900 incurred in constructing a new car for the use of the Sri Rameswara -swami temple at Ramanathapur in the Arkalgud Taluk, and forwarding it to the Comptroller, subject to test for adjustment of the advance of Rs 800 paid to the contractor with the observation and observing that a contribution from the devotees should be collected early, in lieu to the final payment of the balance of Rs 100 due to the workmen -

Read

Order

In the Govt Pros: record above, the completion bill for Rs 900 was passed on to the Compt- for the adjustment of the previous advance of Rs 800 paid to the Comptroller the balance of Rs 100 being reserved to be paid to the Contractor after the recovery of the promised Contribution from the devotees. But the Dy Comr now ~~submits~~ represents

was passed requesting the Comptroller to adjust ~~only~~ Rs 800 only reserving for future payment Rs 100 pending further report from him and that he observed that no ~~pains~~ seemed to have been taken for the recovery of the Contributions.

~~2 In the last letter read above~~ ~~the Dy Comr states~~ It is that the devotees plead their inability to pay any contribution and ~~nothing can be recovered from them,~~ that the Contractor who finished the work long ago has been pressing for payment ~~of the balance of Rs 100 and that same may be paid from the surplus of the temple.~~

~~3.~~ Under the Circumstances ~~Explained above,~~ the payt of the balance of Rs 100 due to the Contractor is

sanctioned, the charge being met from the savings of Rs 359-1-4 at the credit of the temple.

4 It is very unsatisfactory to note that the local officers did not take early steps to collect the promised contributions from the villagers ~~although they were asked repeatedly to do so~~ and that their neglect has led to a loss of Rs 100/- to the temple.
